## From the President

*Submitted by: Alfred Flores*

Summer is underway and our club has been busy planning for our many car related activities. Members recently gathered for our annual club Picnic at Blanco State Park. Our members never fail to come and enjoy each other's company at the Pavilion. Although there was a slight threat of rain, the afternoon turned out to be most enjoyable. Food was top notch as usual thanks to Thomas and the side dishes great as always. The club picnic provides members time to catch up with each other that normally doesn't happen at a club meeting or show. This is when I get to learn more about each member and their families. A more detailed recap will be shared at the June meeting.

June 5 & 6 will be the return of the Pontiac Southern Nationals up in Mesquite, Tx near Dallas. This is the biggest all Pontiac car show and race event to come to Texas. This show is once again organized by the Dallas Area Pontiac Association and a new Hotel and race track was chosen for this event. We will also have a report on this event at our June meeting.

Our club car show planning will need to shift into high gear this month as well. Some of our to do list that you can help with is to start passing out fliers at any car show or cruise night you attend. Sponsorships. We will be in need of sponsorships to ensure our show is successful. Start approaching any business that you frequent for help in sponsoring a class. \$50 is the minimum and we will have cordial request (beg) letters available for you to submit to any business for sponsorship.

I guess we can't complain about the lack of rain this year. Unfortunately, it has affected some of our cruise night activities. Planning will continue so we can have a cruise night like we are all used to seeing. Castroville cruise night is a great spot and hope to plan a club coordinated showing on the second Friday of June the 11. Let's circle this date and plan to be there! Cruise night is held at the Woomack Chevrolet as you drive in to Castroville on the right side of HWY 90 west.

Our next meeting is on Tuesday June 8 at 7:00 pm at BJ's American and Seafood restaurant. We have been have great turnouts to our meetings and hope it continues. Hope to see you there!
